Also Attending: Andy Brosseau, Harvey Dunbar, Juanita Snider

New Chair of the Select Board

Keone Maher will be chair of this board for the ensuing year.

Minutes of 20 February 2008

Approved without changes.

Roads

In response to a suggestion at Town Meeting, we agree to use salt on certain stretches of paved roads that tend to build up ice over time, namely the lower ends of Bean Hill Road and Shadow Lake Road. This will be done when the conditions merit and the weather is warm enough.

Jason will talk with Rodney Beal re plowing the Glover village sidewalk.

Concerning the road crew's support of our emergency services, we discussed the pros and cons of the road crew members being on call to respond to emergency situations. We came to realize that they already are on call to a large degree, and have very little free time during the winter, and that it is not reasonable to ask them to be on call in the sense that someone would have to stay close to a phone around the clock. They will continue to respond to calls for help, with the understanding that emergency responders can call the road crew on their cell phones. Response time can be as long as an hour, depending on where they are when they receive the request and whether or not the truck has enough sand to do the job.

Miscellaneous

Other routine clerical and administrative matters were attended to.

Adjourned at 9:05pm.
