

Glover Town Planning Commission Meeting
August 25, 2016

The meeting was called to order at 4:13 PM>

Randy Williams, Ann Lindner, Mariel Hess, Jack Sumberg, Ann Creaven, Liz Nelson, Donna Lauren and Carmela Young were present.

Randy welcomed Donna to the Commission. She will be on the Health and Welfare committee, perhaps on the Education committee as well.

The minutes from the last meeting were approved. Ann L. so moved and Ann C. seconded.

We discussed various options for kiosks; perhaps one could be in Glover and West Glover.

We discussed how to get a public calendar going and/or circulated like Greensboro's and Hardwick's. Liz and Carmela reported on their work on the Land Use section. Liz read the two pages based on the Glover Town plan of 2006 and some more editing ensued. Carmela, Hope and Liz will submit Preservation and Natural Resources at the next meeting.

Brian gave a report on what he is planning to do regarding the education section. He will go to a School Board meeting and introduce himself as a representative of the Planning Commission to find out what input they are interested in providing and to see what they think should be in the Town Plan for Education.

Ann C. would like to propose a "Button Up" program for the school to participate in, sponsored by VTC and Efficiency Vermont. It would cost nothing for the school. We suggested she should go to the administration directly.

We discussed how to send info on the next public planning meeting to Donna which will be on September 22, 2016 AT THE Glover Library. We will be reviewing and revising the 2006 Glover Town plan. All input from Glover residents is welcomed.

A proposal for meetings from a group "Local Motion" was circulated from Kaetlin Brewer-Culie for the south NEK. Walk, bike, run routes and connections, intersections and pedestrian improvements and safety education are their concerns. Various members of the Glover Commission are going to study it. Randy will pass the info on to The Barton Chamber of Commerce also.

A motion to adjourn was made by Ann L. and seconded by Ann C. at 5:45.

Respectfully submitted,

Liz Nelson
Secretary
