

Glover Planning Commission meeting  
July 6, 2017

The meeting was called to order at 5:07 PM.

Randy, Ann L., Jim, Ann C., Carmela and Liz were present.

The minutes were approved as corrected. Motion made by Liz, seconded by Ann L.

The main purpose of the meeting is to adopt the language used to adopt the plan.  
We discussed the time frame to get the plan to be approved by the Selectboard.

First: We have written the draft plan.

Carmela suggested that we add in the plan itself under "Purpose of the Plan" the statement: "This is a dynamic plan and can be changed by amendments through the Planning Commission."

Second: We, the Planning Commission, have adopted a resolution approving the plan for public hearing, posting, publishing and mailing.

"The Town of Glover Planning Commission resolves to approve the final draft of the Town plan as read on July 6, 2017 for a public hearing, posting, publishing and mailing."

Ann L. moved to approve, Ann C. seconded. So voted.

We will have the public hearing on Thursday, August 17, 2017, not concurrent with the Selectboard meeting. The public hearing will be at the library at 5 PM. One can attend in person and online comments are welcome. We discussed if it has to be just legal voters of Glover and as it is only a hearing we decided it didn't matter. Perhaps people who were not legal voters (for example: summer residents) might have some good and helpful comments.

Donna will mail the documents by certified mail, but Randy will call Allison and see if we can do some of this by email; for example: send a certified letter about the document saying that it is online for review.

Randy will prepare a notice for the Public Hearing and arrange for the deliveries.

We will publish notices in The Chronicle by the end of July, just under the 15 day requirement. We discussed how to publish in a timely manner in The Chronicle – perhaps an ad would be best, rather than just a public service announcement.

We did not set a date for the next meeting. If a meeting is necessary, we will arrange it by email.  
The meeting was adjourned at 5:17. Motion by Ann L. Seconded by Jim. So voted.

Respectfully submitted,  
Liz Nelson
