 - d. Review of Town Meeting: It was noted that attendance was low. They discussed ways to get more community members to attend. The community delegated the Select Board to write a letter to the State, opposing the consolidation of centralizing dispatching duties/call for emergencies. Jack will draft a letter for the Select Board to review at the next meeting.
 - e. Law Enforcement: The existing contract with Orleans County Sheriff's Department ends as of 3/31/15. The Board discussed the need for enforcing the speed limits, emergency services and patrolling homes/camps. Jack will contact the Orleans County Sheriff's Office and Mike will contact the Vermont State Police, to get more information about what services can be provided. What service is provided without a contract? Howie expressed concern about the amount of training officers receive. The Board will discuss concerns raised at Town Meeting about the lack of a response to phone calls, harassment and the need for a monthly report that is more informative. A solar powered radar speed sign will cost about \$4,000.
 - f. Local Emergency Operations Plan: This document was reviewed and will be updated. This document needs to be reviewed and signed annually to qualify for federal funding.

- g. VTrans Annual Meeting: Mike will contact VTrans to see if they can meet on one of these days, 3/18, 3/19 or 3/20/15.
