

Glover Planning Committee Meeting
October 16, 2014

The meeting was called to order at 7 PM. Skip Borell, Ann Creaven, Ann Lindner, Jack Sumberg and Liz Nelson were present.

Jack told us that Alison Lowe will not be able to attend tonight's meeting.

We discussed the due date for our hazard mitigation plan. The deadline is October 23rd, 2014 for the money allocation to be in effect. We have three out of the four categories completed.

Liz Nelson moved and was seconded by Ann Lindner to have a semi-annual Glover Planning Committee meeting duly warned and open to the public for the purpose of reviewing and updating the hazard mitigation plan in the future. The motion was approved.

We will add an addendum to these minutes from Ann Lindner listing the various agencies and business she has contacted to participate in Glover's Hazard Mitigation Plan process.

The committee went through the checklist of FEMA items to address. We answered all of which we had knowledge. The Hazard Mitigation Plan will be completed by October 21st and will be reviewed by the Glover Planning Committee in a warned meeting at 7 PM. We will submit it to the Selectmen on October 23rd to be approved and submitted to the Vermont Emergency Management (VEM) by the deadline.

Ann Lindner will call VEM and find out who to submit it to and also ask if we can do it electronically as well.

The meeting was adjourned at 7:50 PM.

Respectfully submitted,

Liz Nelson

Secretary
