

Glover Planning Commission Meeting October 6, 2016

The meeting was called to order at 4:05. Ann L. was Acting Chair.

Mariel, Ann C., Hope, Carmela, Jim, Brian and Liz were present.

Hope moved to approve the minutes of Sept. 22, 2016. Mariel seconded; so approved.

We tread the Local Motion information meeting report that Randy had prepared. Ann L. asked if anyone wanted to volunteer to continue working with that program. Carmela suggested Randy send a notice to the people on the original list of possible interest.

Ed Helm's proposals for the Barton collaboration are a moot point as Barton has not finished all the preliminary paperwork necessary and has missed the deadline for the application.

Hope forwarded what she had for the energy section. We are in agreement to have a finalized plan and then revise the energy section later when the State's "official" energy plan is final.

Mariel updated us on the general state of our consolidated plan: Housing and Education need work and the appendices, maps and charts still need to be finished.

Jim will read through the plan and advise us about what charts and maps might be needed.

Ann C. says we have to fill out regional energy plans and review that minutely to be the same as the proposed Glover plan of 2016.

A question for Alison Low: "Is there anything negative about Glover going ahead and finishing its plan or will it be hard to adjust and change if necessary?"

Before the next meeting in two weeks, Mariel will have sent out the up to date new version of the plan, Jim will have an idea about the maps and Hope will forward the question to Alison.

Brian will have a meeting with Angelique Brown, the Principal of the Glover School to get input and find out what is relevant to be put in the Town Plan. For example: how can the town support the school in this plan and how do we know how Glover kids are doing at Lake Region.

Glover let its 21st Century grant expire. It is good for after school programs. Perhaps the town Plan can unify efforts with the school.

Once again we talked about the town hiring a grant writer who would actually pay for him or herself.

The next meeting is October 20, 2016, at the library at 4 PM. Mariel made the motion and Jim seconded; so approved.

Brian moved to adjourn and Carmela seconded; so moved. The meeting was adjourned at 5:05.

Respectfully submitted,

Liz Nelson
