Universal Recycling Law – Act 148

As of July 1, 2015 the following recyclables are banned from landfills in Vermont. Materials must be REASONABLY CLEAN and uncontaminated to be RECYCLABLE!

- Aluminum & Steel Cans
- Aluminum Foil & Pie Pans
- Glass Bottles & Jars from Food & Beverages
- Plastic Bottles, Jugs & Tubs marked #1, & #2
- Corrugated Cardboard
- White & Colored Paper
- Newspaper, Magazines, Catalogs, Junk Mail, Paper Envelopes
- Boxboard (grey, non-corrugated cardboard like cereal boxes)

These are the mandated recyclables -
Glover Recycling accepts these and other recyclable materials.

If you are already recycling the above materials in Glover, you don't have to change anything when the new requirements take effect July 1st.

If you are not already recycling the above materials, please read the other side of this sheet for instructions on sorting recyclables and the hours of operation for the Glover Recycling Center.

Stop by the Recycling Center on Saturday morning so you can see how it is done.

Recycling is not difficult.

Recyclable materials have value – they can be used again to manufacture products with recycled content reducing the waste of virgin materials and reducing the energy used in manufacturing new materials.

THERE IS NO CHARGE FOR RECYCLING IN GLOVER!
