

Glover Energy Committee Meeting 1/22/24

Attending- Sara, Mariel, Ann, David, Angela

Reviewed the energy audit for the Glover Fire Station and came up with follow up questions for Paul who did the audit. We'll continue to review the results, agreed we should invite someone from the fire department to also review this information and see what they think. Mariel will reach out to Phil Brooks to discuss.

Sara and Mariel attended a meeting in Greensboro with other area Energy Committees, 4 or 5 towns had representatives there trying to work collaboratively on energy saving measures. Liz Steele and Beth Meachem are leading the group. They are promoting a workshop on February 3rd in Greensboro to learn about insulation and air sealing that is being done through VT Energy Education Program(VEEP) Next Meeting is this Thursday 1/25 @ 9am in Greensboro.

Mariel, Sara and Ann applied for the MERP mini grant and it was approved. This money can be used for education, outreach and programming.

Next Meeting- February 5th @ 4pm at the Glover Library
