Glover Park and Sensory Trail

Committee members discussed how to spend the remaining \$12,000 grant for the park and trail. The grant that financed the park and trail must be closed out by the end of the year. We reviewed tentative list of expenditures including lumber for more picnic tables and the board walk, wind chimes, compost, wagons, seeds, tools and miscellaneous other items to enhance the sensory stations. Committee members volunteered to research goods for a particular area of the park. They can either forward their recommendations to Town Clerk Cindy Epinette or Jethro. We'll reconvene next week to update each other.

Meeting adjourned at 4:00 p.m.

Our next meeting will be held on Monday, December 22 at 3 p.m. via Google Meet. (Jethro will send out the link to committee members.)

Respectfully submitted,
Darlene Young, Secretary
