

Glover Energy Committee Meeting 2/2/26

Attending: Mariel, Ann, Sara, Angela

Guests: James, Nella, Carter

MERP- Reviewed revised scope with Carter, Coe's are working on refining the documents for Spates Construction so that they can get updated bid prices from sub contractors. Once we get that back and if it meets our budget needs then the Coe's will submit an amendment to BGS. Once approved by BGS then we will have a construction contract for the Town and Spates to sign.

Enhanced Energy Plan- Meeting with Allie on 2/23

VEEP- Mrs. Schneider at Barton school did submit an app to VEEP to have a class with them again. Angela to send email to science teacher at Glover to see if they are interested.

Town Meeting- We'll have a table. Angela will check on handouts for town meeting re EVT, VEC, NETO and income guidelines

Next Meeting- 2/16 at 4pm
