2026 Annual Grand List Maintenance - Property Inspection Notice

Inspections: The Town of Glover Lister's will be performing property inspections on March 27, April 2, April 3, and April 6, 2026, for the 2026 Grand List. Please contact the Town of Glover Lister's Office to see if you are on the inspection list, report any changes made to your property, or to schedule an appointment. Property Inspections are performed based on State Wastewater Permits, Highway Access Permits, Land Use Permits, information reported to the Town by Municipal Officials and Property Owners, changes noted visible via public highway, web-based imaging, Homestead and Current Use Filing, Flood Zone Building Permits, and changes per MLS information that is allowable according to PVR. Appointments for property inspections are not required unless an interior inspection is needed. Property owners with no trespassing signs may be contacted directly through USPS or other contact information on file by the Glover Lister's. Changes may be made to the property assessment per the information available and valued at highest and best use if no response is received. Please note: Property inspections are performed to obtain an accurate, defensible, and equitable Grand List for the Town of Glover.

Please contact us with any questions or concerns. Thank you for your assistance and cooperation through this process!
