

Glover Energy Committee Meeting April 21st, 2025

Attending- Mariel, Ann, Sara, Angela

MERP- No Update other than Coes continue working on it, and will give update at next meeting.

E-Bikes- Sara will work with Toni and David to get the schedule set up and make sure the bikes are ready to go

Wheelock is having an energy fair on May 17th from 10am to 2pm

VEEP- Have not received a response from reaching out to the school principal, Angela will email the teachers directly to see if there is any interest.

Mariel attended an open meeting law seminar sponsored by VLCT (Vermont League of Cities and Towns) and did confirm that the energy committee - which is considered an "advisory entity" as opposed to a "decision-making entity" doesn't need to record our meetings, but should take minutes and submit them to the town in a timely fashion..

Window Inserts - Community Build will be in Craftsbury at the Outdoor Center Friday, 10/31 - Sunday, 11/9. WD Admin training on Tuesday 4/22 from 10 to 12

Next Meeting May 5th
