

Glover Energy Committee Meeting June 20, 2022

Attendees- Angela, Ann, Jack, Mariel, Sara

Mariel, Ann & Sara continued door to door work in Glover discussing and promoting energy efficiency options. Everyone has been very open to the information but no one has signed up for anything yet. They plan to continue throughout the summer.

Window Dressers- Need to start doing outreach. Front Porch Forum, Chronicle maybe, flyers at hardware stores. Reaching out to former workshop participants to encourage spreading the word. Reach out to the local towns to see if they will share through their facebook pages and/or websites. Maybe training more measurers to expand the area that we can cover. Window Dressers has a new executive director, Jessica who had been the Vermont Coordinator has stepped in to fill the role.

Solar Agreement was signed by the select board and has been submitted to Norwich Solar. Jack will follow up with the project coordinator to get a timeline.

Next Meeting Tuesday July 5th @ 4pm at the Glover Town Hall
