

Glover Energy Committee Meeting 8/6/2024

Attending- David, Angela, Sara, Mariel

MERP Mini Grant- Had to do a fiscal report of spending, submitted

Glover Day- Drew winners of the thermometer and window inserts and Mariel will call them.

MERP Full Grant- No word yet, we're assuming that we will hear within the next couple of months and will need to determine what we want to apply for.

Window Dressers- David suggested having a table at the Orleans County Fair, we all agree that is a great idea. Toni suggested reaching out to Sheila Martin who is on the Board for the Fair to see if we can set up in floral hall. Need to have requests for window dressers by 9/15 so all measuring can be completed by 9/30. The fair is 9/4 through 9/8.

Ann and Mariel to pursue offering VEEP program at Glover School - and perhaps to a wider audience such as the school district teachers. They will start by contacting the acting principal at Glover School, Joanne Martin. MERP Mini Grant funds can be used to pay for these educational offerings.

Next Meeting- 8/20 at 4pm
