

Glover Energy Committee Meeting August 7th 2023

Attending- Ann, Sara, Jack, Dave, Mariel, Angela

Emma Harter- Organizer for 350 VT would like to attend a meeting to discuss climate issues and how they are impacting our community. Our normal meeting in Sept would be 9/4 which is labor day, we will move that meeting to 9/11 so that she can attend.

Window Dressers- Working on scheduling measuring dates.

MERP- Ann & Mariel are working with Allie with NVDA to apply for the audits that will do the blower door test and allow us to apply for funding to do projects that are identified through the audit.

Next Meeting- August 21st
