

Glover Energy Committee Meeting 9/15/25

Attending- Sara, Ann, Mariel, Angela

Guest Virtual- James Coe

MERP- Still waiting on mechanical and electrical drawings from subcontractors. We reviewed the current plans. The Coes will get the finalized drawings to us on the 29th and then we will meet again on 10/6 to hopefully review.

Window Dressers-Ann and Mariel have completed measuring windows.

Updated Energy Plan- Allie @ NVDA unable to make it to the meeting today. She did send updated info for us to review, and we are hoping to meet with her at our next meeting on 10/6/25.

E-Bikes- Blue bike is in for repair until 9/25. The other bike is available now and both are scheduled to be loaned on the 25th.
