It was suggested that the memorial garden be completed in sections, for example the mulch and boulders be placed this year, then the walk-ways and edging be placed next year, then the trees and granite stone be placed the following year.
11. **Stone repair work by Heritage this fall? Do we have money for it and do they have time?** Joan has not contacted Heritage about which grave stones need to be replaced/repared. It was decided to not have any stones repaired/replaced this year.
