

## Glover Budget Committee

The Town of Glover Selectboard is forming a Glover Budget Committee (GBC) to assist the Town with analyzing the budget, revenues and expenditures for the current and upcoming year. The GBC will also assist with creating a Capitol Plan for the Town and identifying future needs and planning accordingly. For example, determining the useful life of a Town Truck or Office Computer and budgeting its future replacement.

The GBC will consist of 1 Selectboard Member, the Town Treasurer, and 3 Glover Residents/Community Members for a 5 member committee. Additional participation is welcome and encouraged.

The GBC will coordinate an official schedule once formed with group meetings primarily anticipated in the months of November and December and to be finalized by January. The GBC will meet with each department/organization in the Town to receive their current and anticipated needs and discuss their current and future line items. After completion, the GBC will report back to the Selectboard with their findings and recommendations for the upcoming Town Budget.

All Residents and Glover Community Members are encouraged to inquire and join the committee regardless of background knowledge. Special skills in Finance, Construction, Equipment, Education, Technology, Human Resources, Life Experience, and General Love for the Community and beyond are all valuable, but not limiting.

Please submit inquiries to Cindy, Town Clerk/Treasurer, at [cindy@townofglover.com](mailto:cindy@townofglover.com).
