The Glover Cemetery Commission will host a Cemetery Workbee at Westlook I Cemetery in Glover on Saturday, July 18, 2006, from 9 AM- noon. Come learn how to safely clean, or straighten, or reset, or mend gravestones. Learn by doing! We'll provide the tools and materials; you bring along your own work gloves, water to drink, sunscreen, and bug spray. Join us for as little or as much of the morning as you like.

At 11 AM, participants may keep working, or head home, or join a guided **Cemetery Walking Tour,** exploring the gravestones and sharing stories about people they name.

No charge, it's free! Call Joan Alexander at 802-525-6212 or Cindy Epinette at 802-525-6227 for more info. Note: This is the only workbee we are offering this year. In case of heavy rain, the workbee and cemetery walk will be cancelled.
