

Glover Energy Committee Meeting February 21, 2022

Attendees: Jack, Angela, Sara, Ann, Mariel

Guest: Buddy Hall - NETO St. Johnsbury Weatherization Coordinator

Buddy joined our meeting so that we could talk with him about Window Dressers inserts and see if the inserts are something they could use or would be interested in or could promote. Suggested reaching out to Dan Labarron who is the coordinator in their Newport office which covers most of Orleans County. Angela will stop at the Newport NETO office to speak with Dan and invite to one of our meetings if interested.

Solar- No update

Renewable Energy Vermont Zoom- Ann watched re the congressional candidates and their energy positions. Ann felt both Becca and Kesha were very articulate and knowledgeable. She will share the zoom link if possible.

Angela to get contact info for Rural Edge from Heather to invite them to a meeting in March.

Briefly discussed EV charger and if there is a good location in Glover, Parker Pie and the town Green are most likely locations.

Next Meeting March 7th.
