**All Peoples Park/Community Garden**

Talia, a student from the UVM cohort, is unable to continue as an intern this summer due to other obligations. Kayla is working at the garden every Thursday. The garden fence and gate were recently completed. The footings for the garden shed were done with the help of Kayla and other cohort members. Committee members discussed how best to distribute the produce from the giving garden. Food shelves, meal sites and a CSA-type box are possibilities.

Use of the park remains strong with visitors from Glover and from other area towns. The plantings from last year look great. Ideas are needed for how to enhance the music station. A possible rainy day project for Kayla is a brochure promoting the park. Jethro and Kayla will be finalizing wording for park signage.

**Community Meal**

Jethro has committed our group to preparing a meal for the Community Meal Site in Barton on Thursday, July 31. If interested is in helping, committee members can gather at the Memorial Building at 9 a.m. or prepare part of the meal at home and bring it to the site. Please let Jethro know if you'd like to help.

**Welcome Bags**

Darlene will prepare five Welcome Bags for delivery to new residents. She'll let others know when they are ready and what is still needed for the bags.

Meeting adjourned at 5:19 p.m.

**Meetings are held each month at the Glover Town Hall.**

Respectfully submitted,  
Darlene Young, Secretary
