

- Awarded to MWA (**Memphremagog Watershed Association**) via Watersheds United Vermont. Watersheds United Vermont (WUV) is a state-wide network of local groups dedicated to the health of their home watersheds. Our mission is to empower community-based watershed groups in all parts of the state to protect and restore Vermont's waters.
- Funded by Clean Water Investment Program at VT DEC (Vermont Department of Environmental Conservation) responsible for managing and protecting Vermont's natural resources, including water, air, and land.
- \$41,965.00, plus approximately \$8,000 in-kind match from the Town (estimate of contributed rock/gravel, hauling, planned gutters, staff time; does not anticipate driveway paving)
- State water quality enhancement funds that are specifically geared towards projects with relatively minor water quality benefits but major public visibility and educational opportunities
