

Town of Glover

Selectboard Meeting Minutes

Thursday, June 11, 2020

Present: Jack Sumberg, David Simmons, Harvey Dunbar, Road Foreman, Dan Clark, Cindy Epinette, Transcriber. Zoom: Brian Carroll, Meghan Wayland, and Adam Heuslin, Glover Ambulance.

1. Meeting called to order at 6:31pm.
2. Review of Agenda: The Board added a discussion regarding a wastewater trash removal.
3. Minutes: **Dave made a motion, seconded by Brian, to approve the minutes dated May 28, 2020.** Dan objected to the minutes as presented because they did not reflect his exact question and concerns as he wrote them. Jack explained the minutes reflect a summary of what was discussed. Exact wording is only required when a motion is made. **The motion carried.**
4. Appearances by Local Citizens and Visitors: none.
5. Announcements for Review: none.
6. Reports:
 - a. Roads Report:
 - i. Bean Hill Paving: Pike Industries will not be able to complete the shoulder treatment necessary. Glover's road crew will do the work instead. Pike will adjust the final bill accordingly. Jack spoke with Eric Pope from VTrans about banking the curves on Bean Hill. Jack was informed that the paving work completed is correct. He was also informed that banking corners on a road with a 35mph speed limit is not necessary nor is it recommended;
 - ii. Richard Epinette has been hired to work part-time and as needed over the summer;
 - iii. Michael Pray is taking his CDL test with DMV on Friday;
 - iv. Roaring Brook culvert work has been completed. Harvey would like to wait a month before the road is paved, in order for the culverts to settle.
 - v. Shadow Lake Road: grinding the pavement will wait until next summer;
 - vi. All roads have been graded at least once;
 - vii. Re-classification of Rodgers Road: There has been opposition to reclassifying Rodgers Road as a discontinued road. Jack encouraged John and Brenda Rodgers to work with their neighbors to find a solution;
 - viii. New bus stop on Bean Hill Road: Harvey will work with Butler's Bus Service to ensure the safety of a new student that needs to be picked up/dropped off on Bean Hill road. The town will purchase appropriate signage as needed.
 - b. Orleans County Sheriff's Report (May): The Board received a letter from Sheriff Harlow, indicating the town has a credit of 15 hours as the result of COVID-19. She also indicated they received complaints about ATV's in Glover and will continue to address this issue.
7. Old and Unfinished Business:
 - a. Glover Ambulance Contract: Adam presented an updated contract that changes the dates of service to April 1 – March 31, 2021 and changes the quarterly payments to the last day of the month of June, September, December and March.

Brian made a motion, seconded by Brian, to approve the contract as updated. The motion carried.

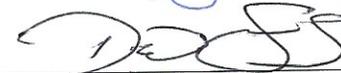

- b. Salt Shed: James Coe provided plans for the new salt shed. Jack will review and report back to the board.
 - c. Currier's Store & Glover Post Office Closing: Karen, Barton Postmistress, informed Jack that many people have contacted her to set up new post office boxes or have installed mail boxes at their homes as the result of the post office at Currier's Market closing. She informed him that a "centralized box unit" (CBU) can be installed but it would not be completed until August. Adam cautioned the Board about having a CBU due to the complications West Glover experienced when that post office closed. The Ambulance Bay is still receiving packages for the CBU in West Glover. Adam also cautioned residence who live in Glover but have a Barton post office box. If they need to be transported from one hospital to another, the ambulance service that transports them may be Orleans instead of Glover, due to their mailing address.
8. New Business:
- a. Social Justice Resolution: **Brian made a motion, seconded by Jack, to adopt the resolution as presented. The motion carried.** The Board encourages each employee to sign the resolution, if they support it.
 - b. VT Local Government Resolution: **Brian made a motion, seconded by Dave, to adopt the resolution as presented. The motion carried.** Jack will email the adopted resolution to VLCT.
 - c. Pioneer Day Camp Appropriation: Randy and Betsy indicated Pioneer Day Camp will not open this year due to COVID-19, therefore they will not need the \$1,500.00 appropriation that was approved at the town meeting.
 - d. Wastewater Trash: The Board received information from Austin Rubbish Removal that they cannot include the garbage from the sewer line in the landfill. Paul LaBrecque has agreed to dispose of the towns' garbage.
9. Board Action:
- a. The Board signed the director's orders.
10. Adjourn: Dave made a motion, seconded by Brian, to adjourn at 7:45pm.

Respectfully Submitted,

Cynthia Epinette
Transcriber

Jack Sumberg, Chair

David Simmons

Brian Carroll
