Trails Committee Minutes
April 10, 2023

Present, all on zoom: Peggy Day Gibson, Michelle & Dominic Dominijanni, Ted Young, Cindy Epinette, Richard Carbonetti, Ann Creaven, Bob Sharkey, Noel Ford, Heidi Cooperstein, and someone on the phone (please speak up if this was you!)

1. The meeting was called to order at 7pm.
2. Minutes from last meeting – The minutes from the March 3, 2023 meeting were read and approved.
3. Kiosks
 - a. David Young has the lumber list, will contact Dominic when it's ready
 - b. Dominic can put together a kit for assembly. The first location will be at Halsey Lane/Hinman Rd.
 - c. Carbo would like 3'x4' for the Black Hills trail map. The plan has a 4'x4' area so this will work fine. We might consider numbering intersections of the trails and noting the numbers on the map. Also could put smaller maps at those intersections.
 - d. Carbo will supply shingles for the kiosks -- let him know how much is needed.
4. Signs and maps
 - a. Peggy called Sign Depot in Lyndonville (signdepotvt.com). For dibond plastic with aluminum, with a color pdf printed on it, prices are as follows:
 - i. 4'x8' \$450
 - ii. 18"x24" \$45
 - iii. 10" x 12" \$20
 - b. Carbo will pay for maps for the Black Hills kiosks.
5. Black Hills Trails
 - a. Halsey Lane parking area: Peggy talked to Harvey Dunbar about the parking area. We have \$2000 in the budget, will need to go to the select board for approval. Mike Pray is the new road commissioner. We will need space for 3 cars.
 - b. The trail map is geo-enabled; we will put it on our website and it can be loaded into the Avenza app for use when hiking the trails.
6. Black Hills maintenance planning session: Sat. April 22 at 9:00 at Halsey Lane/Hinman Road
 - a. Will start there, look at trails and what maintenance needs to be done.
 - b. Will also meet Harvey there at 9:00 to look at the parking area.
 - c. Carbo will make sure conditions are good for that day and let us know if we need to reschedule.
7. The actual session for trail maintenance is scheduled for Saturday May 20. The Hunt Club will be there too.
8. The next Trails Committee meeting is scheduled for May 15.
9. Adjourn: The meeting was adjourned at 7:30pm.

Respectfully submitted,
Michelle Dominijanni

Addendum: we also discussed using the outline of a goose that was a petroglyph on a boulder in the Young field in West Glover as a logo. The goose pointed toward the lake. We can put this on our kiosks, and use it on signs and our website. People liked the green color. We can also include the story of the petroglyph on our website; it was determined to be early American by dating the lichens that were in the grooves.
