 - a. Telfer Rd. (Th-35) - agreed to reconvene at Telfer Rd. for inspection. After inspection, reconvened at the Town Office at 9:40, present: Michael Ladd, Jack Sumberg. No testimony to be taken. Given that the road had not been maintained by the town in many years, that the town had long thought the road already discontinued, and that the expense of making the road at all passable would be far beyond the benefit to be derived by the inhabitants of Glover, and that no objection to the discontinuance was expressed, **Jack made a motion that "the public good, necessity, and convenience of the inhabitants of the Town of Glover require that the entire 0.60 miles of Th-35, Telfer Rd, from its commencement at the intersection with Beach Hill Rd to its termination, be discontinued." The motion passed unanimously.**
7. Adjourn: Mike made a motion, seconded by Jack, to adjourn at 9:47 am.

Respectfully Submitted,

Jack Sumberg
