

**PC Sub-committee meeting for application of Municipal Planning Grant  
September 21, 2020**

Steve Lowe, Randy Williams and I held a phone conference at 7:30 pm on Monday evening, September 21, 2020 to discuss the application for a Municipal Planning Grant. The due date is October 1<sup>st</sup>.

The Glover Select board is meeting this Thursday, 9/24, and Randy will petition them to approve of a request to provide a matching 10% (which would be up to \$2,200.) of the grant should we be awarded it.

Meanwhile, we are working on the language and details of the grant proposal. Steve is answering the three consulting firms that have responded to his inquiry about being the agent for the grant, should we be awarded it. We are sharing this document on Google Docs so that we can all see the edits. Steve is emailing Alison Low to see if she would like to be included in this process.

We will have another phone conference on Friday, September 25 at 4 PM.

Respectfully submitted,

Liz Nelson
