

Rabies Vaccination Clinic for Dogs Only

Saturday, March 28, 2026
at the Glover Municipal Building
(Town Clerk's Office)

51 Bean Hill Rd
Glover, VT 05839
802-525-6227

1. Dogs must be on a leash.
2. Please bring proof of previous vaccinations. This is important to distinguish if the rabies vaccine given at the clinic will be a one year or three year vaccine.
3. Rabies and DAPP (with Lepto) vaccines will be administered upon request after a brief physical exam. **Rabies vaccine is \$35.00 per dog** and **DAPP w/Lepto is \$35.00 per dog**. Each dog will be given a rabies tag and certificate, as well as information regarding vaccine reactions and the closest urgent care/emergency location in this area.
4. Microchipping is available upon request as well. **Microchipping is \$60.00 per dog**.
5. No cats allowed.

Exams, Vaccinations and Microchipping will be administered by Hailey Gentile, DVM, from Newport Veterinary Hospital.

Please come in to get your dog vaccinated. Glover residents will be able to license their dogs with the town at the same time. Fees: Spayed/Neutered is \$11.00 per dog, Non-Spayed/Non-Neutered is \$15.00 per dog.
