

Town of Glover, Memphremagog Watershed Association, + Greenleaf Design present a

VOLUNTEER PLANTING DAY

GLOVER'S NEW RAIN GARDENS & EDIBLE RIVER BUFFER

Friday, August 29th

10 am - 2 pm

Come anytime to help put the final touches on this exciting project on the Library/Town Clerk's Office lawn

We will likely be planting perennials from Labour of Love and maybe some shrubs too. Bring gloves and tools if you have them, or just yourself! Feel free to get creative and bring supplies to install a bird house or sapling archway for some fun additions!

For questions or more information, reach out to Town Administrator, Theresa Perron-Janowski:
theresa@townofglover.com or 802-525-7199
